Reference No. IT/2/87

Shri Minguel Borges — Workman/Party I
V/s

M/s Jose Francisco dos Santos — Employer/Party II
Employer is represented by Adv. N. P. Afonso.

Panaji. Dated: 29-9-1988

AWARD

This is a reference made by the Govt. of Goa, by its order No. 28/55/86-ILD dated 8th January, 1987 with an annexure scheduled thereto which reads as follows:

"Whether the action of the employer, M/s Jose Francisco dos Santos, Vidhyanagar, Margao, Salcete-Goa in terminating the services of Shri Minguel Borges, Fitter w. e. f. 25-1-1986 is legal and justified?"

If not, to what relief the workman is entitled to?"

2. This hotly contested matter has tapered into a mild matter resulting into almost an ex-parte matter. The Party I, Minguel Borges who was charged with theft was initially served with a show cause notice and thereafter a domestic enquiry was conducted and he was found guilty of the charge of theft. According to the management, of the Engineering concern namely Party II the workman was employed as a Fitter, was found moving suspiciously around the company truck in the morning of 21st January, 1986. The truck which was being loaded with pipes and other material was to deliver the material to the Ciba Company. One of the workman of the company by name Eurico Baptista had seen the workman Minguel Borges cutting square bar 3 in nos $\frac{1}{2} \times 90$ cms. and inserting them into the pipes which were destined to be delivered to Ciba through the said truck. The said Baptista who was a Supervisor of the company reported the matter to another Supervisor by name Gabriel Santos and inquired with him whether the bars admeasuring $\frac{1}{2} \times 90$ cms. were also to be delivered to the Ciba company and he should better check it. On getting this information, Gabriel ordered the unloading of the goods from the delivery van and to check whether the bars as stated by Eurico Baptista were also loaded in the delivery Van along with other material. After unloading and re-checking it was found that the 3 square bars were carefully concealed by inserting them into the other pipes loaded in the delivery Van. This checking revealed that Minguel Borges had attempted to smuggle the bars outside the company premises through the delivery Van, clandestinely Statements of concerned persons were recorded and the domestic inquiry was conducted in due course and

the workman was found guilty of the charges of mis-conduct and the management acting on the report directed the dismissal of the workman from service and this order of dismissal has given rise to the present Government reference.

3. The workman is represented by the Union leader and Labour Consultant Shri P. Ghodge. A fact to be noted pertinently is that employer and his advocate were all along present and the Workman's representative Shri P. Ghodge was present for some days and absent for a few days. The reference dated 8-1-1987 was on dormant file and after I took over notices were issued to the parties in November, 1987 returnable on 26-11-1987. The Party I Minguel Borges appeared on that day only and took time to file claim statement. Since then, he has not participated in the court proceedings and he has remained absent throughout and only occasionally the workman or Shri P. Ghodge were present. After the issues were framed on 29-3-1988 the matter was fixed for effective hearing on 10-6-88 on which date documents were filed. Thereafter on 29-6-88 the evidence of management's witness Gurudas G. Priolkar was partly recorded and on the adjourned dates namely 1-8-88 2-9-88 and today the 29th instant Shri P. Ghodge as well as the workman remained absent. The matter was adjourned on 1-1-1988 as per the sicknote of Shri P. Ghodge. Hence a fresh notice was issued to the workman as well as to P. Ghodge. They remained absent though duly served with the notice and the recording of the evidence of Gurudas Priolkar was completed today.

4. It has been specifically brought on record that the workman Minguel Borges is gainfully employed else where and the emoluments which he is getting now are far more than what he was receiving as wages from Party II. The witness Priolkar stated that the workman had expressed that he is no more interested in doing service with Party II. About the charge of theft the case papers of enquiry are produced at Exh. E-1 (coolly). The witnesses Jose Francisco dos Santos have deposed about the circumstances under which the search was taken and how the bars were found concealed in the delivery Van.

The witness Eurico Baptista has also made the necessary statement about the workman Minguel Borges being caught red handed. The management's witness Gurudas Priolkar states that he who is the Office Manager of Party II had conducted the enquiry and in fact they had thought of prosecuting Minguel Borges by filing a criminal case, but they refrained from doing so because they did not want to spoil the career of the workman and they deemed it sufficient just to hold the domestic enquiry, to give him an opportunity to defend his case and then to take action if the charges were duly and properly proved. The charge is that of mis-conduct and the same having been proved the order of termination is issued and this penalty seems to be just and proper in the circumstances of the case. There is reason to believe that the workman did not participate in the court proceedings because he felt that there was no case for him and it was futile to defend the case. Secondly, he is gainfully employed elsewhere. Consequently, I feel that the order of termination does not call for any interference and I therefore answer the main Govt. reference as per order below:

ORDER

It is hereby held that the action of the employer M/s Francisco dos Santos, Vidhyanagar, Margao, Salcete Goa, in terminating the services of Shri Minguel Borges, Fitter w.e.f. 25-1-1986 is just and legal and the same does not call for any interference and as such the workman is not entitled to any relief.

Parties do bear their own costs. Inform the Government accordingly about the passing of the award.
